

# Pro-feminist Men Movement In Indonesia

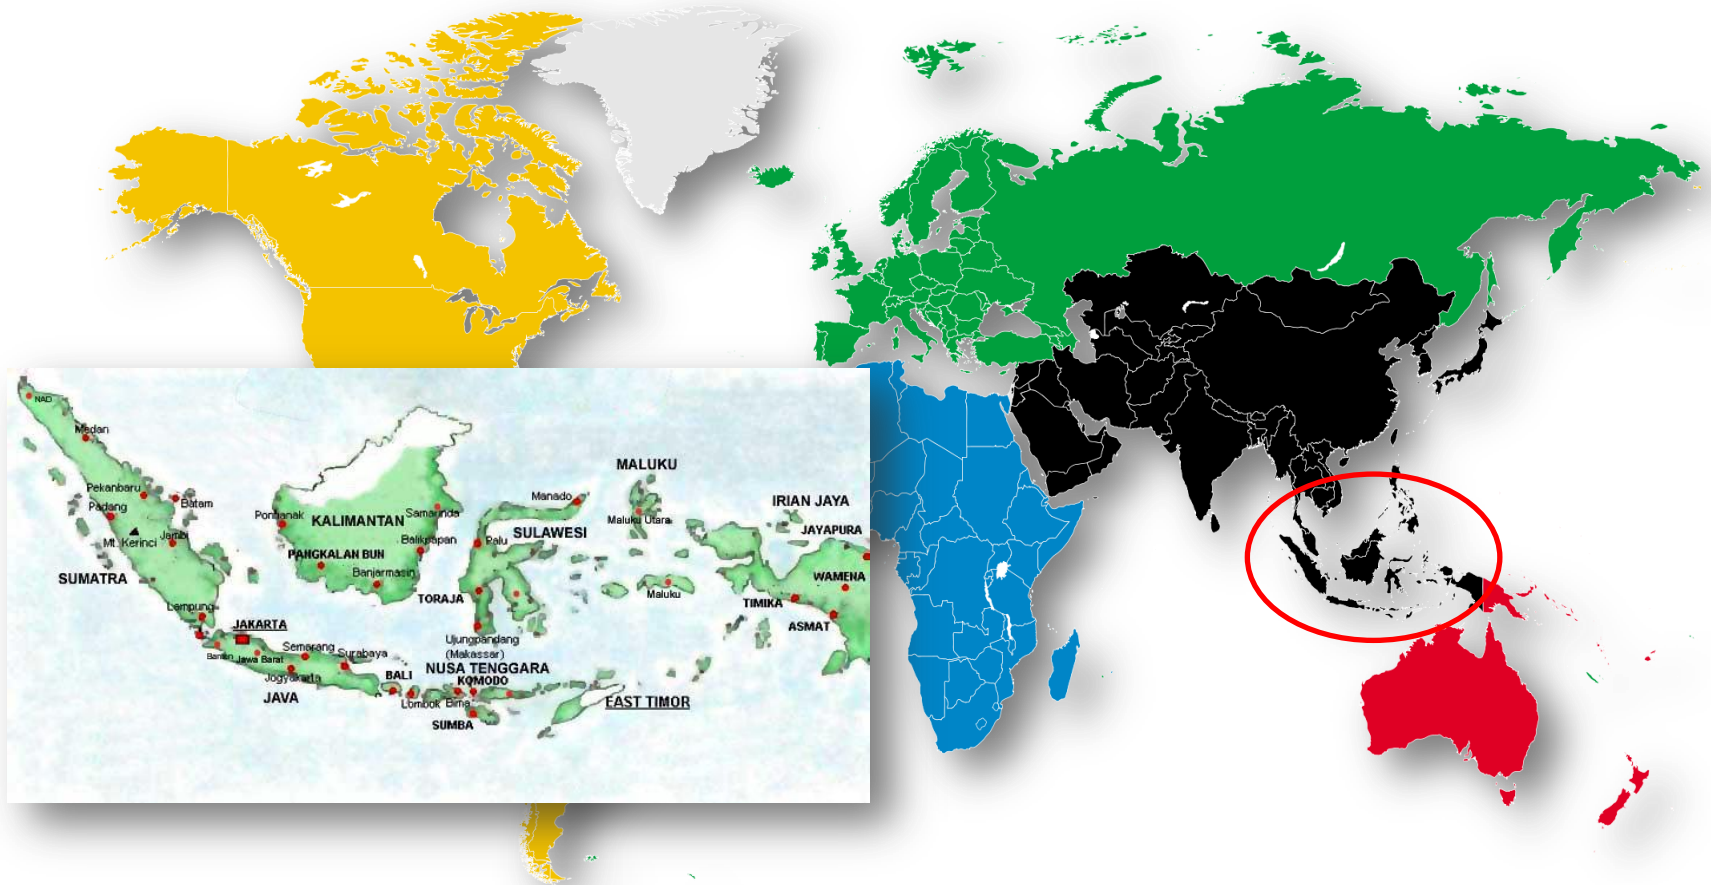

**Nur Hasyim**

# Outline

- Introduction
- Men's Involvement in Violence against Women Prevention in Indonesia
- Aliansi Laki-Laki Baru; The Men Who are Raised by Feminism
- Dealing With Some Risks
- Strategies and Activities
- Challenges and Opportunities

# Introduction

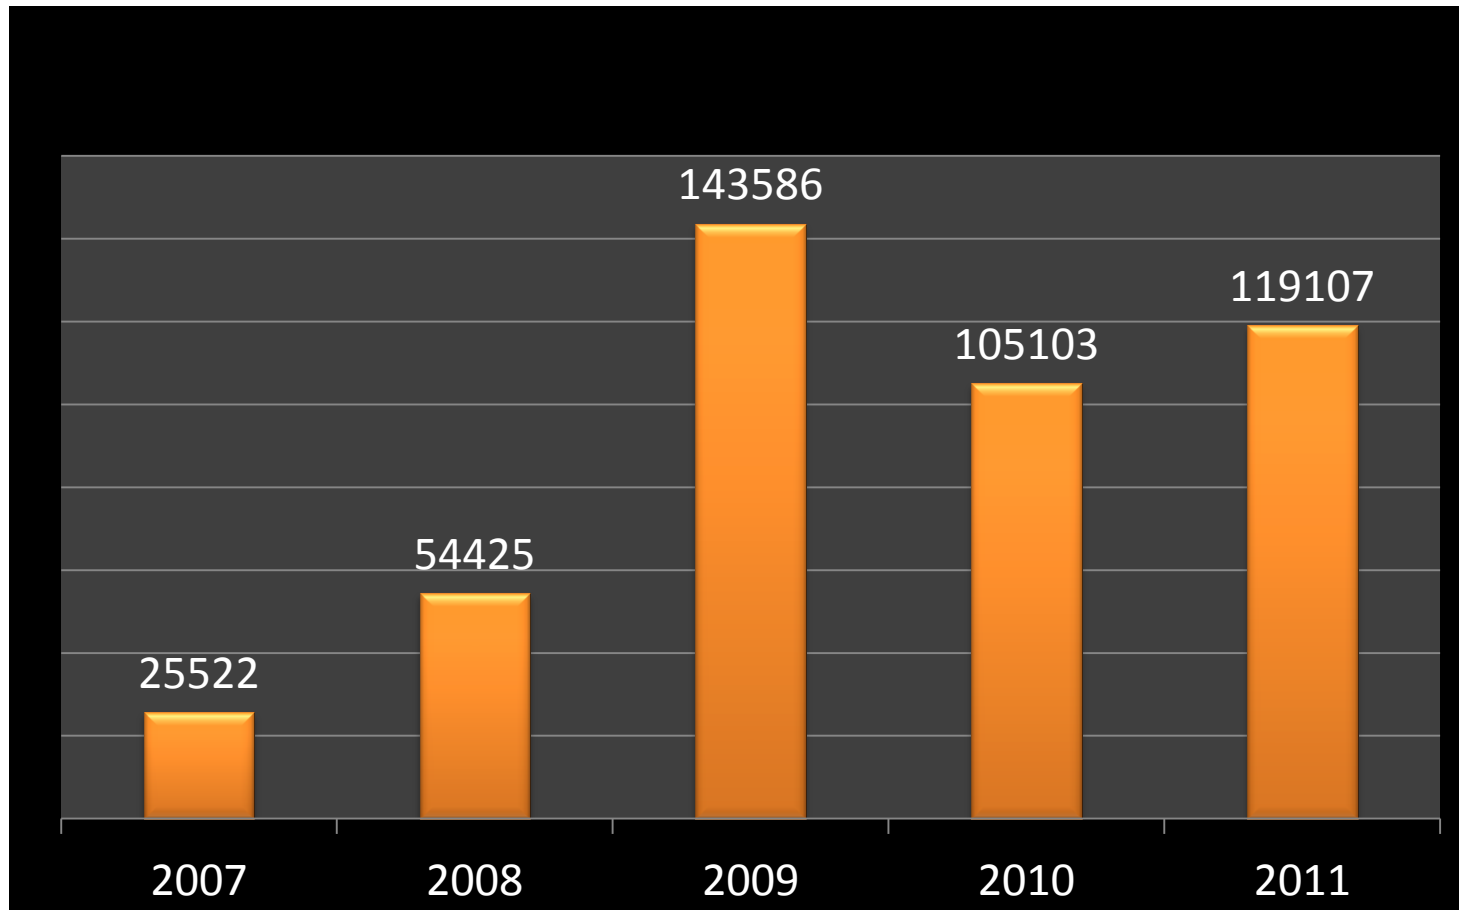

Population : 159 Million (Male : 132 Million and Female 127 Million )

# Introduction

- Women are culturally required to be submissive and obedient.
- The primary roles of women are house keepers, childrears and supporters for their husband.
- In Contrast, Men are entitled to power and privilege. Men are perceived as a leaders, providers, and protectors
- Traditional view on gender norms are risk factors for violence against women in Indonesia.

# Violence Against Women Case in Indonesia

Source : National Commission on Anti Violence Against Women, 2012

- Population Based Study on domestic Violence in Center of Java found that one out of ten women had been physically abused by her intimate partner.  
(Hakimi, 2007)

# Men's Involvement in Violence against Women Prevention in Indonesia

- In 2000, A group of men who against violence toward women was declared in Jakarta.
- in 2007, there was a long march of men who against violence against women in Yogyakarta.
- In 2009, Aliansi Laki-Laki Baru (New Men Alliance) was formed in Bandung West Java.

# Aliansi Laki-Laki Baru : The Men Who are raised by feminism

- Most the members of the alliance have long engagement with feminist movement
- The Alliance Believes in Feminist values and principles such as;
  - a. Equality and gender justice
  - b. Anti-Discrimination
  - c. Anti Violence against women
  - d. Respect to diversity

# Dealing With Some Risks

RISKS	RESPONSE
Creating new domination of men within women movement	<ul style="list-style-type: none"><li>a. Put the group as a support for and part of women movement.</li><li>b. Avoid to take leadership within anti violence against women movement.</li></ul>
Taking away resources for women empowerment programs	<ul style="list-style-type: none"><li>a. Put programs for men as a complementary for women empowerment programs.</li><li>b. Help women/feminist group to raise fund/resources for women empowerment program</li></ul>
Colluding with violent men	Invite women to be part of the group to make the men movement accountable to women.

**Partisipasi Laki-Laki dalam Pengentasan Kekerasan terhadap Perempuan**

POSTED BY LAKILAKIBARU · FEBRUARY 28, 2013

Laki-laki baru pertanyaan pertama: Bukankah mayoritas pelaku kekerasan thdp perempuan adalah laki2? Syaldisahude: ada beberapa hal yg pengen gue sampaikan terkait dgn pertanyaan 1. a. Mayoritas laki-laki umumnya tidak memiliki karakter yg menjurus melakukan kekerasan, khususnya thdp perempuan b. Masyarakat "permisif" mendorong laki-laki ul agresif & kekerasan sebagai bentuk ekspresi diri yg diterima masyarakat. c. Ada ... [Continue reading](#)
